CRAGGY RANGE WINERY

Steve Smith, the only specialist viticulturalist Master of Wine in the world, has poured his heart and soul and almost two decades of experience into developing Craggy Range as New Zealand's specialist producer of single vineyard wines.

### 2008 Sauvignon Blanc Te Muna Road Vineyard

Pale straw with green hints. The aromas are of white peach, citrus and delicate tropical fruits. The mouth filling palate is awash with flavors of fresh apple, nectarine, lime and tropical notes. The flavors are underlined by fine supporting acidity and a chalky texture that leads into a very long, rich and clean lime and passionfruit finish.

### 2006 Block 14 Syrah

Deep red colour with vivid purple hues. An intense array of pepper, black cherry, sandalwood and liquorice notes form a complex nose. The palate is richly textured combining fine layers of tannin and ripe dark fruits with a long, generous finish.

### 2006 Te Kahu

Opaque garnet core with youthful crimson hues. Aromas of ripe plum and fruit cake characters neatly meshed with sandalwood and spicy cinnamon overtones. The overall aromatic impression is one of brooding complexity. Fine layers of mouth filling tannin provide the texture and structure to support ample fruit flesh. Natural acidity completes this seamless integration, resulting in wine with uncommon length and power.

### 2006 Sophia

An opaque core colour with vivid crimson hues. Aromas of blackberry, plum and thyme mingle with characters of cedar, sandalwood and tobacco. On the palate, these complex characters are laced with layers of silky tannin, providing structure and flavour persistence. The textural and aromatic elements are seamless, framed by balanced acidity.
